Exhibiting Foundries**

DIPLOMATIC SESSIONS

Diplomatic Sessions will bring together Ambassadors, Consuls General, and Commercial Counsellors from Saudi Arabia, Türkiye, China, and other international markets. These sessions will highlight trade opportunities, industrial collaboration, and investment prospects between Pakistan and global markets.

Industry leaders will gain valuable insights into export potential, technology partnerships, and government-supported business initiatives while creating direct connections with diplomatic representatives for stronger global collaboration and business growth.

COMMERCIAL SESSIONS

Will be conducted for industries by experts from various industrial sectors like Cement, Sugar, Maritime, Chemical, Power, Defense, Navy, etc. To guide Foundries in the local development of imported castings for each sector.
